

DONUT PANIC!

Google

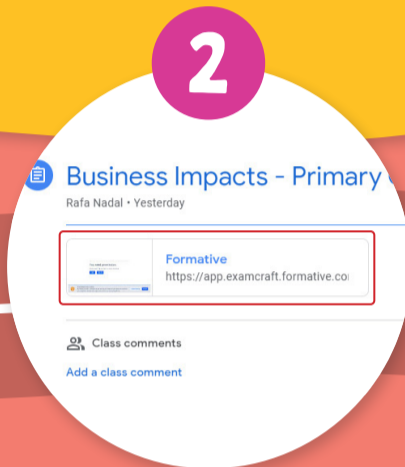

Follow the steps below and be ready for your digital assignment:

1

Make sure you are logged in to **Google Classroom** with your student account

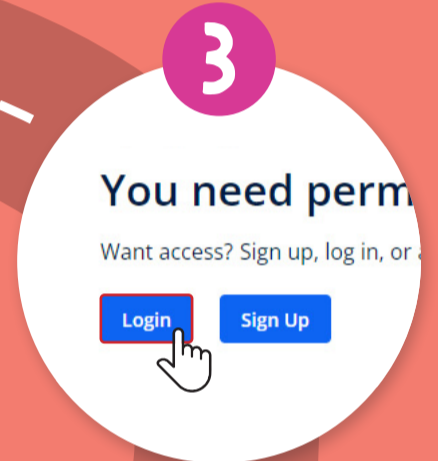

2

Your teacher will post a link in your Google Classroom

3

Click on the **Login** button

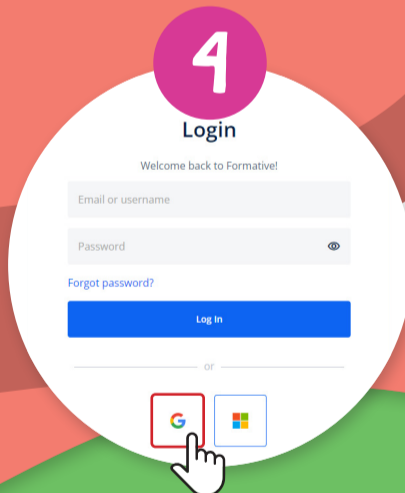

You need perm...

Want access? Sign up, log in, or

Login Sign Up

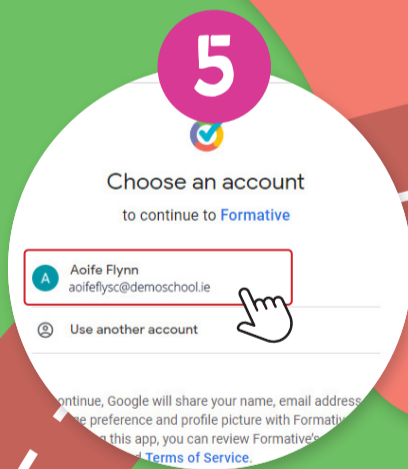

4

Log in to your **Formative account** using your **Google account**

If you are already using a student Google account, you don't need to create a new password for it.

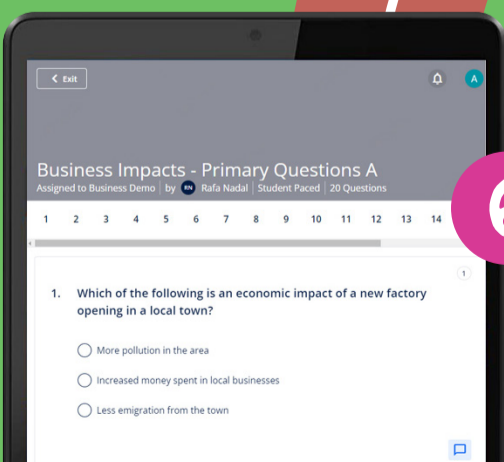

5

Choose the **correct student account**

If you have a pop-up blocker in your browser, please make sure it is disabled.

6

You are now ready to do your assignment
