Junior Cycle French

The Examcraft Formative bank of questions was designed by our expert content creators and is divided according to the specification for Junior Cycle. The Specification for Junior Cycle Modern Foreign Languages is organised around three integrated strands: Communicative competence, Language awareness and Socio-cultural knowledge and intercultural awareness.

These strands are each further broken down into elements and the learning outcomes associated with each element are also specified.

For more information about Examcraft Formative, access: www.examcraft.formative.com
