Junior Cycle Gaeilge

The Examcraft Formative bank of questions was designed by our expert content creators and is divided according to the specification for Junior Cycle. The Specification for Junior Cycle Gaeilge is organised around three integrated strands: Communicative competence, Language and cultural awareness, and Learner's self-awareness.

These strands are each further broken down into elements and the learning outcomes associated with each element are also specified.

For more information about Examcraft Formative, access: www.examcraft.formative.com
